

1853 Studios & Gallery

Mill 1 Gallery

Location:

1853 Studios (Mill 1)
Osborne Mill
Waddington St
Oldham
OL9 6QQ

Mill 1 Gallery is located on the 3rd floor.

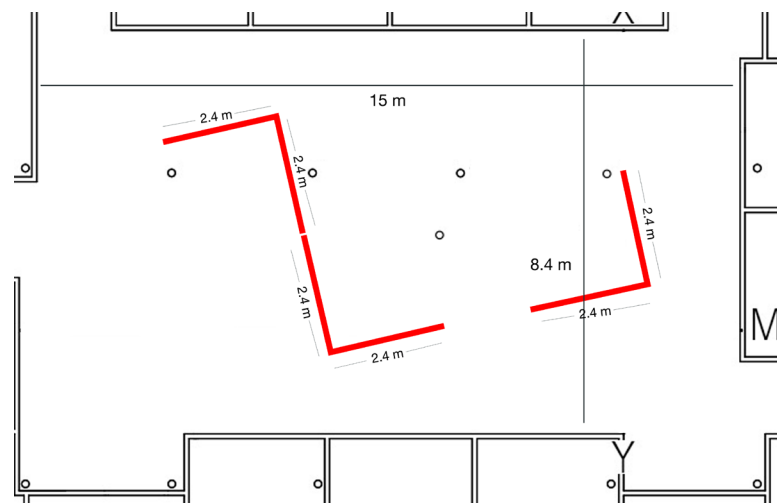

Accessibility:

Mill 1 Gallery is **not** wheelchair accessible. There are 2 steps from the road, and then the gallery is accessible via a lift. There is no accessible toilet.

Description:

The gallery space is 15m x 8.4 m. It contains 3 L shaped display walls which can be positioned wherever within the space depending on the requirement. Each side of the display walls are 2.4m x 2.4m. See the illustration below of an optional layout. The circles in the image represent structural beams.

Lighting:

As well as the main strip lighting in the space, we have 6 spot flood lights that can be positioned from any point on the ceiling rigging. These are operated individually from a phone.

Power

We have multiple plug sockets in the ceiling rigging, and one double socket at floor level.

Ceiling:

The height to the lowest beam in the ceiling is approximately 4 metres. Artwork can be hung from certain beams in the ceiling, which we can point out.

Usage:

The Gallery is positioned in an open space within our bustling creative studios. Studio residents come through the space to access their private studios. The outer walls are doorways to private studios, and the studio residents may display work outside their doors. When making use of the Gallery, you will be able to display on the Gallery walls only, not the outer walls.

Additional Facilities:

Within the use of the gallery space, you also have access to a fold out table and 10 chairs. We also have 2 communal sinks available (especially useful for arts workshops). We can also have access to a couple of plinths upon request.

Capacity:

The capacity of the gallery is 90 people.

Hire fee:

Our standard rate for the Mill 1 Gallery is **£150 per day** (10 - 5). We do offer a discount when booking for a longer period.

However, if your project isn't funded, we are open to discussing how we can work within your budget. Email luca@1853studios.co.uk to chat about costing.

We also have an exhibition opportunity which we do a call out for every year, in which you could be selected for an exhibition in our space and a full support package. Follow our instagram [@1853studios](https://www.instagram.com/1853studios) or visit our website [1853studios.com](https://www.1853studios.com) for more details.

To enquire, email luca@1853studios.co.uk with information about your project and/or an exhibition proposal.
